

NUMBER 24.

BELLEVILLE, COUNTY OF HASTINGS, CANADA WEST, FRIDAY MORNING, JULY 5, 1861

TRACTED STATE OF HAYTL.

advice from Hayti received at state that a most unexcited and gloomy state of things exists in St. Domingo. The native population have taken arms against the Spaniards in several country districts, and are determined to fight for their independence.—The cholera disease has broken out among the British soldiers; several of them had died, and there was a large number in hospital. The greatest consternation, it is said

among the people of the city of
Lima. The Spaniards in vain en-
deavor to entertain the inhabitants with
music and fireworks. Save the
sawers, scarcely any one is to be seen
and thick gloom overspreads the
city. The military are carrying
on most haughtily and offensively
the black and colored people; and
his accomplices are in the
alarm at the fruits which are al-
sulting from their treachery. The

The Corporation of the City of
Havana has presented the freedom of that

The population of London, according to the last census, is 2,808,084. The population of the Canadas is 2,478,644, or \$70,810 more than the British colonies.

Since the port of Hakodadi, in Japan, has been opened to foreign trade, the population of the port has increased from 12,000 to 20,000.

Two of its largest exports consist of sugar and salt-petre.

The copper mines on the south shore of Lake Superior are said to be the richest in the world.

The supply of cotton from India is increased this year, and at the present time there is known to be about for Britain nearly three times the quantity the same date last year. The consumption of cotton in England this year has increased considerably.

* On Sunday Inst, about 4½ a. m., an earthquake was felt at Huntington, Ont., so strong that it caused windows, furniture and dishes to rattle. Its appeared to be from Southeast to west, and its effects were felt at Sudburo' and Moncton to about the same

An interesting discovery has just made at Trilaka, near Corinth. It consists of an antique bronze vase containing poison in excellent preservation. The modern date of them from the time of the Trojan War—280 years before the Christian Era. This vase has been presented to the Queen of Greece, who takes great interest in ancient arts.

W. H. Russell, of the *London Times*, was at Corin, from the South, on the 10th. He says nothing in regard to

According to the best of our information, the wheat crop in Wisconsin is in making condition as could be expected for the present time. Every spot available has been sown, and there to be every indication of at least as a yield as last year. The same is true here, where a greater breadth of land is

* Casualties of the war, since the increment of the present conflict there been the following casualties among troops, the rebels and citizens:—Soldiers by disease, 6; killed in battle, 98; died in battle, 73; killed accidentally, 1; wounded accidentally, 82; soldiers killed in riot, 9; citizens killed in riot, 18; killed, as near as can be ascertained.

Lord John Russell said that he had steps in the matter. The fact was, Gordon, the Vice-Consul at Zoro, had led in an unjustifiable manner in forcing a Protestant service anywhere else in his own home, and that, being a Catholic, he would not allow. One in Spain suggested Mr. Gordon's action, but that just having been sent to John Russell had taken

The Church Journal says:—"Our will remember that on the Festival Circumcision, at the Cape of Good the first English Missionary Bishop service among the Heathen outside British Dominions, was consecrated now learn that on St. Matthias' in the opposite side of the Southern

O. Pattison was the second on the list. He was consecrated by the bishops of New Zealand, aided by the bishops of Wellington and Nelson, as "Bishop of the Western Islands of the Pacific Ocean." Bishop Pattison has been a devoted and untiring Missionary in the lovely islands over which he presides.

British North American Provinces,
States, Victoria, &c., amounts to
Ministry, 10,464; and Communi-
cants, 276,918. This great Presbyterian
is divided, in the United States, into
branches: In the British Provinces into
three, (now 6, in consequence of the
Union;) and in Great Britain and
into 8 branches. Previous to the
